

This Month: Open Discussion

This month was a time for questions, concerns and comments. Members shared their experiences and how they cope with their unique challenges.

Melissa, who had been diagnosed with Lupus during childhood was able to offer valuable insight to those who were recently diagnosed.

It was a time for coming together and remembering that no one is alone on their journey with lupus.

Suggestions for future speakers were also accepted.

If you or someone you know would like to speak at a support group meeting, call 407-898-5930 or toll-free at 1-866-GIV-2DLF.

There is new and easy way to raise money for the DOROUGH LUPUS FOUNDATION just by searching the Internet with GoodSearch.com.

It's simple. You use GoodSearch.com like any other search engine — the site is powered by Yahoo! — but each

time you do, money is generated for DLF.

Last year, search engines generated close to \$6 billion in revenue from advertisers. With GoodSearch part of this advertising revenue will now be directed to DLF.

We hope that not only will you

use GoodSearch as your main search engine from here on out, but will also pass this message on to your friends and family. The more people who use this, the more money will go to DLF and Lupus research .
As Always, thank for your generous support.
